We would like to recognize The Sharon Grill for feeding our community during the power outages here in town. Dave and some helpers Loretta, Martha, Margarette, Bobbi and Roger fed folks Saturday through Tuesday after the storm. Dave and the crew cooked up over 80 lbs. of chicken, 300 hamburgers, hot dogs, chicken wings and barbecue. Dave, thank you for serving up great food and kindness!

Keeping in line of giving, Daves daughter Ginger is in the Army National Guard and was sent to western North Carolina to help in the efforts there, so Dave headed to Rutherford County where they fed first responders there over 400 lbs. of barbecue.

The Towns Community Trash Pick Up Day was a beautiful day, and we were very productive with 8 people coming out to clean up Sharon! We collected 30 bags of trash as well as a bag of recyclables! Thank you, Dave Ladish with Sharon Grill, for donating breakfast biscuits for our crew! Thank you, York County Recycling, for providing the

needed supplies. (#KYCB) We would like to give a big shout out to Doug Cunningham of Sharon and Legion Ladies Life Group from Hillcrest Baptist Church for helping Keep Sharon Beautiful! (#KSB)!

Sharon Volunteer Fire Department's Annual Fund-Raising Drive is under way. You may have received information regarding their fund raiser in the mail. Sharon VFD plays a very active role in and around Sharon. They participate in all town events as well as help prepare for them. Their most notable contributions include Toys for Happiness at Christmas and a special visit from Santa at the towns Christmas in Olde Sharon, hanging of the wreaths around town as well as assisting with the beautiful fireworks display we all enjoy during the 4th of July event here in town. Sharon VFD works out of 2 stations and maintains the upkeep of those stations with help from your generosity. Your contributions also assist with paying for the required training of their members. Please consider making your tax-deductible donation today!

SCDOT is still in the area getting our streets and ditches cleaned up. While you are getting your yard in shape for the winter months, please **do not** dump tree trimmings, yard waste or debris of any kind in the ditches or drainage areas. SCDOT has been removing grass and other growth from the drain lines so that when it rains the water flows as it should.
