Hey Sharon, what do you think about a mural in town? Lots of municipalities in York County and throughout the state of SC have murals painted somewhere prominently. These murals prompt people that may be passing through to stop and check out what the town may have to offer and to take a picture in front of the mural!

Submit your ideas to town hall at [townofsharon@comporium.net](mailto:townofsharon@comporium.net) for a mural that encompasses **all things Sharon**. The history, heritage, people and maybe even a slogan would be nice. The tentative location would be at Pop's Attic! We look forward to your ideas!

A huge "thank you" to Sharon Fire Department for their assistance before, during and after our fireworks here in town! A special "thank you" to Jaclyn Lifsey and her family for coming out and helping clean up the mess.

With the high heat temperatures we have been experiencing its important to remember a few things:

- stay hydrated - seek shade and/or air conditioning whenever possible
- wear loose fitting clothing – plan outdoor activities for cooler part of day

- keep curtains/blinds closed to block sunlight - use your oven less - check on your neighbors (elderly) – listen to your body for warning signs of heat exhaustion – be prepared for possible power outages

Congratulations to Thomas Neebling at 3588 Ramsey Rd for earning the “Yard of the Month” for July! Your yard, driveway and porch are so tidy, and the crepe myrtles and other flowers look great! Mr. Neebling will receive a \$20 Walmart gift card and a sign in his yard recognizing him as “Yard of the Month”!  
Thank you for setting an example in the community! **#KSB**
